

A young man and woman are running outdoors, smiling and looking towards the camera. The woman is wearing a black crop top with a purple feathered collar and a purple skirt. The man is wearing a black sleeveless shirt with "HAWKS TRACK & FIELD" and a Nike logo, light blue jeans, a red headband, and a purple tutu. They are both holding hands and running. The background shows trees and other people.

# WELCOME!

## WE'RE BACK & STRONGER THAN EVER

The COVID-19 pandemic prevented us from experiencing the school year to its fullest. Now that we're back, we are happy to be able to see each other in person, as well as experience the events we couldn't do during the past two years.

Many agree that Zoom learning was bland and could not compare to the livelihood of being in a class, socializing, and just having fun overall.

Chamalbide lost a bet with the football team. As a result, he had his beard shaved after growing it out for sixteen years- older than some of the students here at Mission Oak.
