

THE TALON PRESENTS SUMMER BREAK EDITION

Farewell

Principal Carrasco

Our beloved Principal Carrasco has reached the end of his road here at Mission Oak. While his love for the students and staff here is still very strong, Mr. Carrasco has decided that he needs to take the new path that the world is offering.

"I feel like I have a lot to contribute to our society and to our world," Carrasco said.

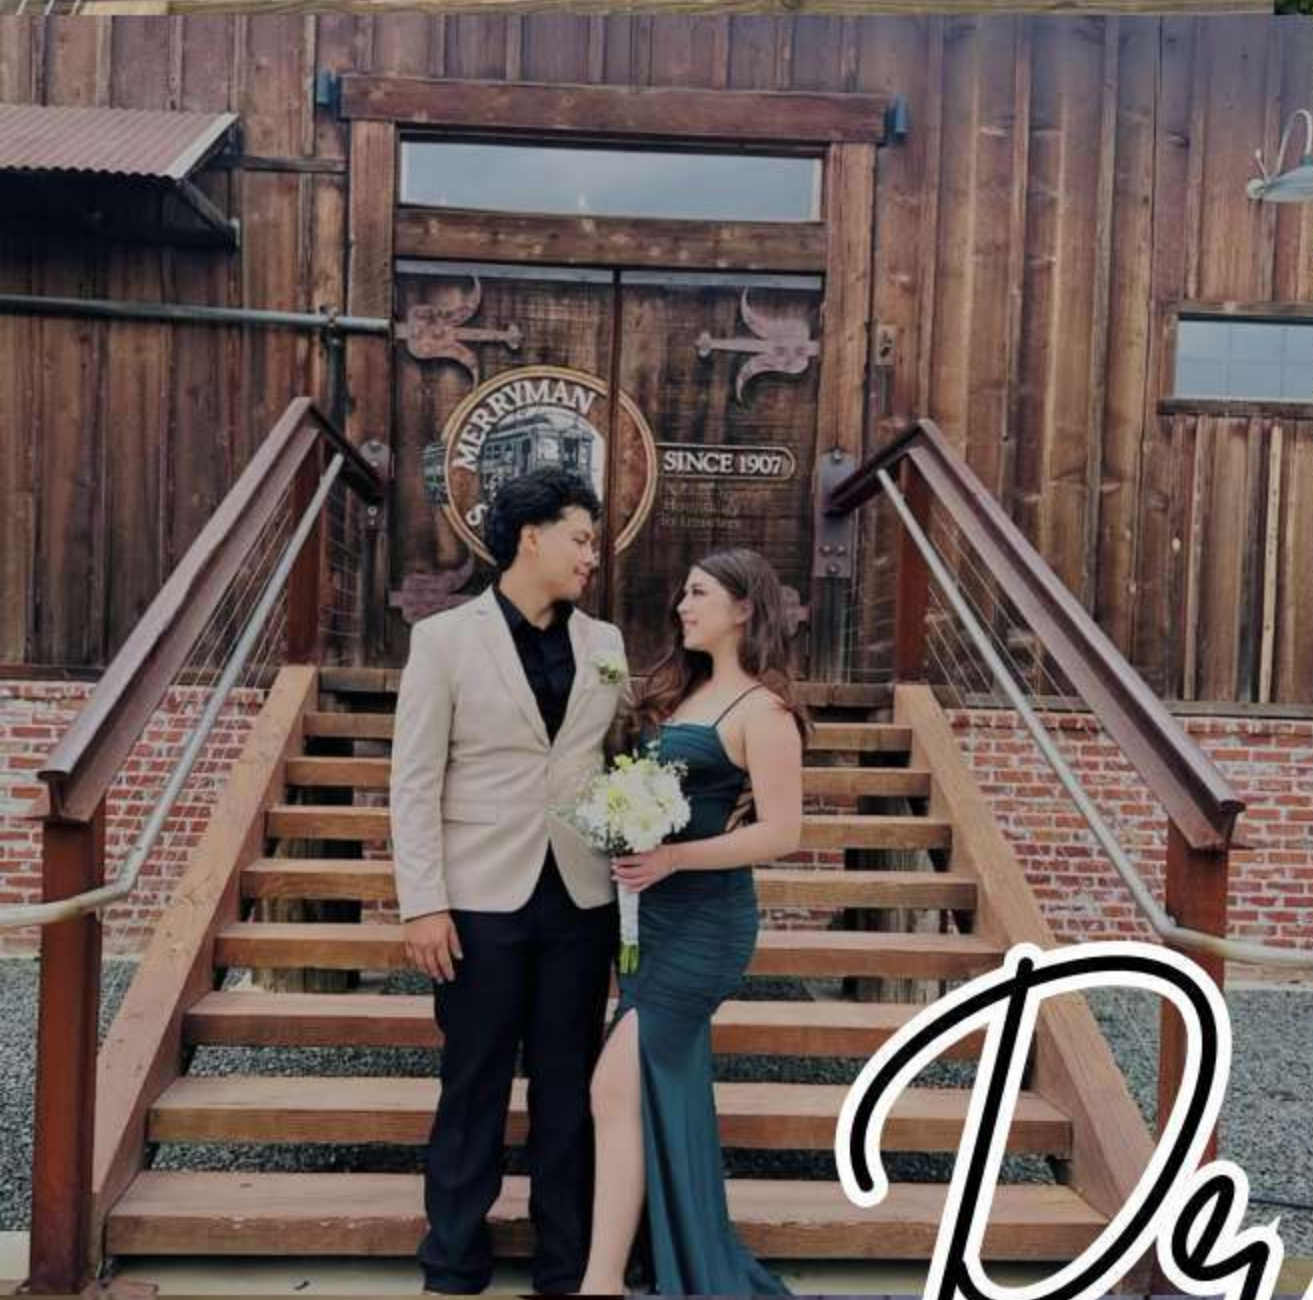

Being here from the opening of our school to the present has been very meaningful to Mr. Carrasco because of the way that he has seen our Mission Oak community grow and flourish beyond what anyone could have expected. From new developments to successful students, Mr. Carrasco has seen it all and will carry these joyous memories with him.

The role of Principal has shaped who Mr. Carrasco is today. Mission Oak has exposed him to many people with many different stories. While running Mission Oak, he has seen the people around him go through many stages of life which has altered his perspective and values.

"Whether it was laughter or whether it was tears. There's just so much that goes on. And I think it shapes my views on life in general and the fact that you've got to be ready for just about anything in life."

Summer Jobs for Students

SUMMERTIME IS WHEN ALL STUDENTS CAN RELAX FROM BEING AT SCHOOL, BUT THEY CAN ALSO MAINTAIN BUSINESSES. DURING THE 2 MONTHS OF SUMMER VACATION, MANY TEENS MISS OUT ON OPPORTUNITIES TO MAKE MONEY.

These are some examples of what you could be doing to make money:

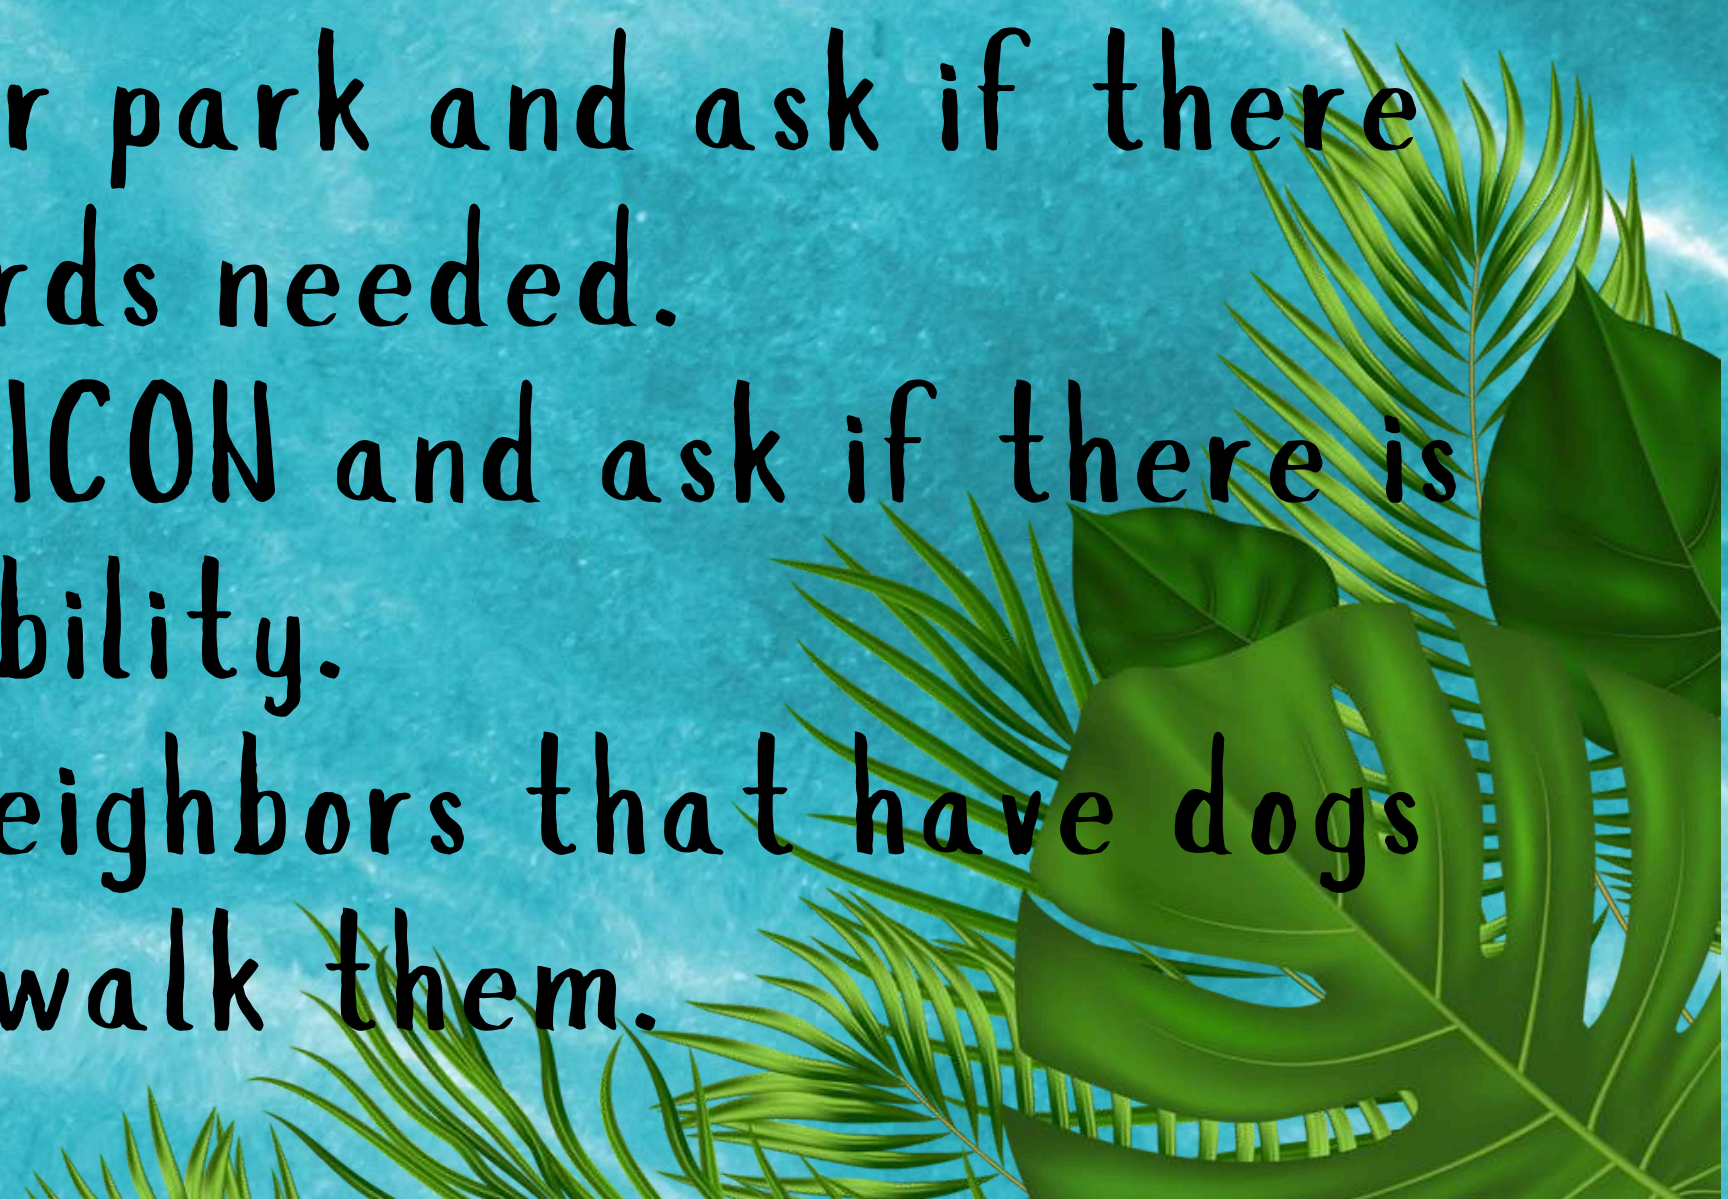

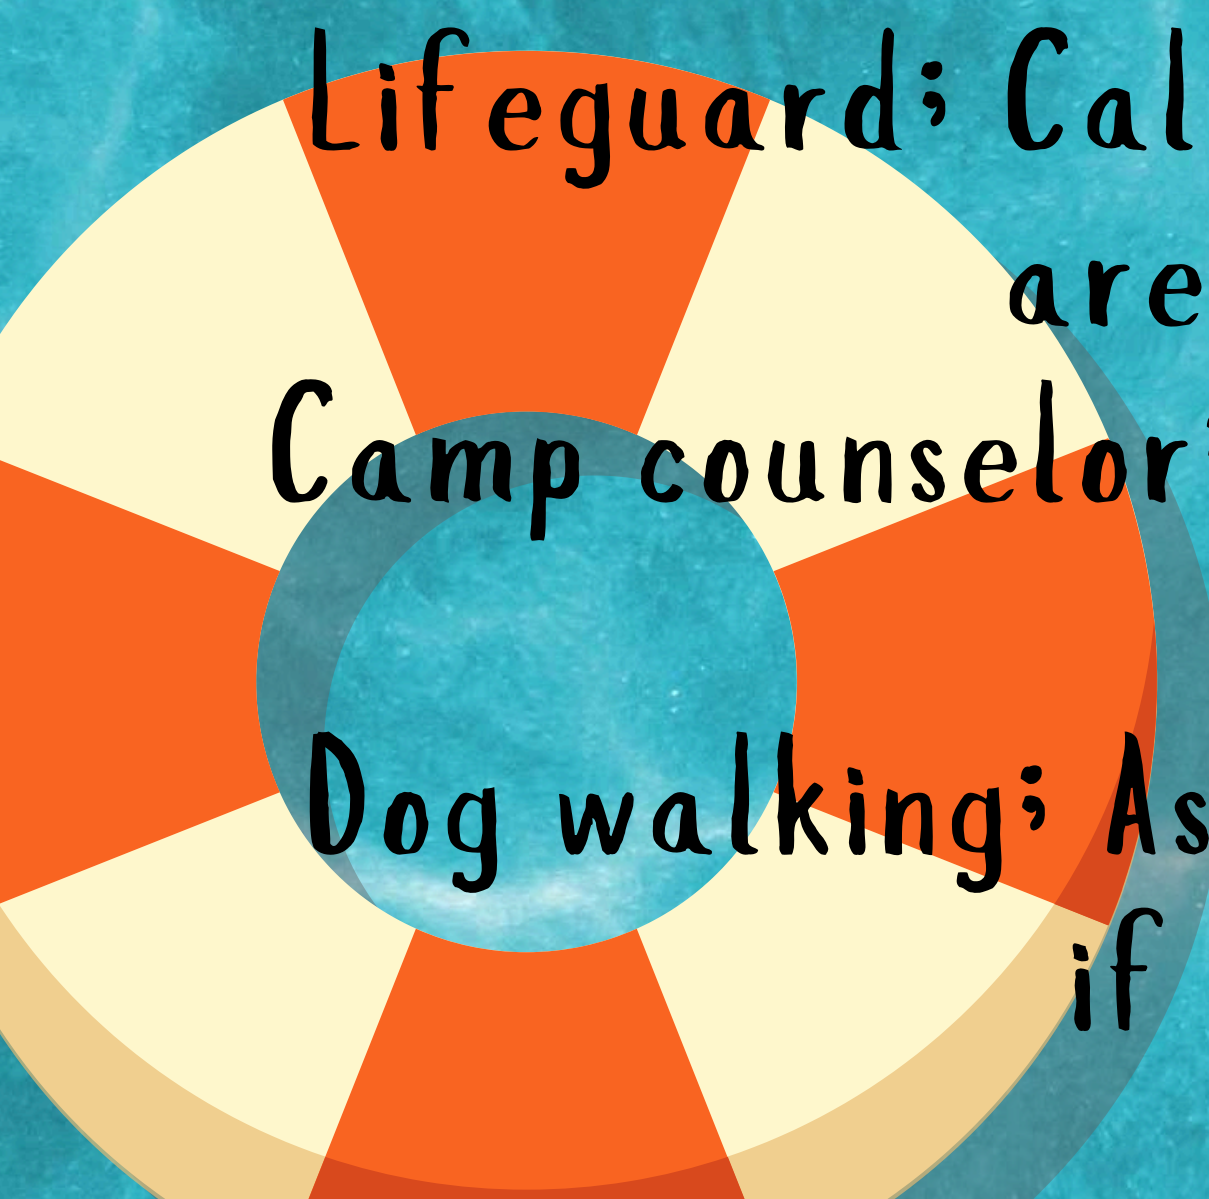

Gardening; Mowing lawns and pulling weeds.

Babysitting; Ask your relatives if they need any help with their kids.

Lifeguard; Call a water park and ask if there are lifeguards needed.

Camp counselor; Call SCICON and ask if there is availability.

Dog walking; Ask your neighbors that have dogs if you can walk them.

SCHOOL'S OUT!!!

HAVE A GREAT SUMMER!
